

Central Intelligence Agency
Office of the Deputy Director for Intelligence

Chuck -

As I suggested Friday,
I believe this effort
should be aborted and
that the DDI should
decide if he wants to
respond and, if so, what
points he wishes to make.
Then, he or one of us
should dictate a short
letter/memo. A staff
effort seems inappropriate
to me - especially this one.

Central Intelligence Agency
Office of the Deputy Director for Intelligence

If you decide (or he
does) to respond point by
point, I will want to
make a number of changes
in the attached.
